

Elementary Learn from Home Menu

Math:

<p><u>Khan Academy</u> https://www.khanacademy.org/</p> <p>Access videos, lesson guides, and practice questions about math and reading. Organized by grade level.</p>	<p><u>Funbrain</u> https://www.funbrain.com/</p> <p>Access math games by grade level.</p>
<p><u>Math Playground</u> https://www.mathplayground.com/</p> <p>Access games that help students practice skills across operations, including multiplication. You can access content by grade level.</p>	<p><u>Kids Math Games</u> http://www.kidsmathgamesonline.com/</p> <p>Access games and instructional videos about number sense, adding, subtracting, geometry, money, logic, and a range of other topics.</p>

Science:

<p><u>National Geographic Kids</u> https://kids.nationalgeographic.com/</p> <p>Read all about animals, countries, Presidents, space, and many other topics. Videos and quizzes are included; but beware of ads for books to purchase.</p>	<p><u>Mystery Science</u> https://mysteryscience.com/school-closure-planning</p> <p>This website has lessons organized by grade level, worksheets, and activities. A favorite among teachers, and currently offering selected lessons for free.</p>
<p><u>Science Fun for Everyone</u> http://www.sciencefun.org/kidszone/experiments/</p> <p>A collection of science experiments that can be done using household items and ingredients. Homemade play dough and other favorites are included!</p>	<p><u>IXL Science</u> https://www.ixl.com/science/grade-3</p> <p>This website has dozens of science skills organized by grade level, as well as resources for other subject areas.</p>

Reading:

<p><u>Scholastic Learn from Home</u> https://classroommagazines.scholastic.com/support/learnathome.html</p> <p>Scholastic is offering daily lesson plans for children learning from home. Daily readings can be played out loud and the text difficulty level can be adjusted.</p>	<p><u>Dr. Seuss's Seussville</u> https://www.seussville.com/explore/</p> <p>Learn about Theodore Seuss Geisel, watch videos of many favorite Dr. Seuss books, and explore characters.</p>
<p><u>Reading Bear</u> https://www.readingbear.org/</p> <p>This website offers instruction about phonemic awareness, including letter sound videos, blends, digraphs, and multi-syllabic words.</p>	<p><u>Children's Storybooks</u> http://www.magickeys.com/books/</p> <p>This website offers simple stories that students can read online. Some also include audio.</p>
<p><u>Boston Public Library</u> https://www.bpl.org/online-resources/</p> <p>Browse e-resources and download audiobooks and e-books through OverDrive.</p>	<p><u>Pinna Podcasts for Kids</u> https://pinna.fm/?gclid=Ci0KCQjw6sHzBRCbARIsAF8FMpUB0n-7tK4fxasQavXk0w3L0fxRogKld2Q5gNr9rxPbcOxHaEqyUwMaAtHXEALw_wcB</p> <p>Explore a collection of Podcasts, Audiobooks, and music for children. Get 60 days free access with code: PINNA4KIDS.</p>
<p><u>Kids Listen</u> https://app.kidslisten.org/</p> <p>This app gathers Podcasts for children, including Bedtime Stories and book discussions.</p>	<p><u>Storyline Online</u> https://www.storylineonline.net/</p> <p>This website offers favorite story books read aloud by actors you might recognize.</p>
<p><u>Free Children's Stories</u> https://www.freechildrenstories.com/age-5-8-1</p> <p>Read children's books online.</p>	<p><u>Storynory</u> https://www.storynory.com/</p> <p>Free audiobooks for kids, with text included.</p>

Writing:

<p><u>Book Creator</u> https://bookcreator.com/2020/03/support-for-schools-affected-by-coronavirus/</p> <p>Write your own book on your computer and combine pictures, text, and speech. Usually a subscription service but is offering free access now.</p>	<p><u>Elementari</u> https://www.elementari.io/</p> <p>Write and code interactive stories. You can request a free account through the end of the school year.</p>
<p><u>Writing Worksheets</u> https://www.allkidsnetwork.com/writing/</p> <p>Practice skills from letter formation to sentence-building and cursive.</p>	<p><u>Pixton</u> https://www.pixton.com/</p> <p>Create comics using sets of characters and backgrounds.</p>

Social Studies:

<p><u>Time for Kids</u> https://www.timeforkids.com/</p> <p>Read news articles written specifically for younger readers.</p>	<p><u>CNN 10</u> https://www.cnn.com/cnn10</p> <p>A brief newscast for kids to watch with their grown-ups.</p>
<p><u>History for Kids</u> https://www.historyforkids.net/</p> <p>Read about Ancient China, Rome, and many other civilizations. The website also includes checks for understanding in the form of worksheets, word searches, etc.</p>	<p><u>BBC History for Kids</u> http://www.bbc.co.uk/history/forkids/</p> <p>This site is full of videos and information. I recommend starting in the Ancient History or World History sections.</p>
<p><u>BrainPOP</u> https://www.brainpop.com/</p> <p>Explore concepts including Civics, Science, Math, and Writing. Usually access is limited to subscribers, but you can request free access.</p>	<p><u>Seterra</u> https://online.seterra.com/en</p> <p>Geography and map skills.</p>

Specialists: Physical Education

<p><u>Go Noodle</u> https://www.gonoodle.com/</p> <p>Sing songs, practice yoga and meditation, and participate in workouts for a quick brain break.</p>	<p><u>Cosmic Kids Yoga!</u> https://www.cosmickids.com/</p> <p>Watch videos of yoga made specifically for younger yogis. Choose how long you would like your practice to last, and whether you would like to cultivate energy or calm.</p>
<p><u>Fitness Blender</u> https://www.fitnessblender.com/videos/fitness-blender-kids-workout-25-minute-fun-workout-for-kids-at-home</p> <p>This is a 25-minute "workout" that allows for stretching and activity inside, with a focus on kids-friendly moves.</p>	<p><u>Yoga with Adrienne</u> https://yogawithadriene.com/yoga-for-kids/</p> <p>Try yoga in the park with Adrienne. She teaches a young student some foundational exercises and moves, like cat and cow.</p>

Specialists: Art

<p><u>NGA Kids Art Zone</u> https://www.nga.gov/education/kids.html</p> <p>Take a field trip to the National Gallery of Art! Design your own beautiful artwork, including jungle scenes, sea-scapes, and dollhouses.</p>	<p><u>National Gallery of Art</u> https://artsandculture.google.com/partner/national-gallery-of-art-washington-dc?hl=en</p> <p>You can visit two exhibits online, including one about eighteenth century fashion.</p>
<p><u>The Louvre</u> https://www.louvre.fr/en/visites-en-ligne</p> <p>The Louvre is one of the most famous art museums in the entire world! It is currently closed, but has virtual tours accessible online, including Egyptian Antiquities.</p>	<p><u>Mo Willems Daily Drawing with The Kennedy Center</u> https://www.kennedy-center.org/education/mo-willems/</p> <p>One of our favorite author/illustrators is teaching us how to draw characters from his beloved books. Tune in anytime to watch videos, or live daily at 1:00pm ET!</p>

Specialists: Spanish

<p><u>Rockalingua</u> https://rockalingua.com/videos/de-colores-friendship</p> <p>Sing songs to practice your Spanish vocabulary. I recommend starting with "De Colors/Amistad."</p>	<p><u>PBS Kids: Salsa</u> https://mass.pbslearningmedia.org/collection/salsa-spanish-for-children/</p> <p>Watch videos to learn Spanish vocabulary. Each episode is about 15 minutes long.</p>
<p><u>Online Free Spanish</u> https://onlinefreespanish.com/</p> <p>Access lessons and games to teach beginning Spanish vocabulary.</p>	<p><u>Spanish Playground</u> https://www.youtube.com/user/SpanishPlayground</p> <p>This channel is hosted by two native Spanish speakers and models correct pronunciation.</p>

Virtual Field Trips:

<p><u>The Great Wall of China</u> https://www.thechinaguide.com/destination/great-wall-of-china</p> <p>Visit the Great Wall from your own home! Take a virtual tour and look at maps.</p>	<p><u>National Aquarium</u> http://samuraivirtualtours.com/example/nadc/index.html</p> <p>Walk around the National Aquarium and visit the sea turtles and alligators.</p>
<p><u>National Park Service</u> https://www.nps.gov/yell/learn/photosmultimedia/virtualtours.htm</p> <p>Visit Yellowstone and all 61 National Parks. Read about plant and animal life, as well as interesting thermal features in the Yellowstone Ecosystem!</p>	<p><u>Polar Bear Cub Cam</u> https://explore.org/livcams/polar-bears/polar-bear-ouwehand-twin-cubs-cam-2</p> <p>Check on these adorable pups living in the Netherlands!</p>
<p><u>Discovery Education</u> https://www.discoveryeducation.com/learn/tundra-connections/</p> <p>Visit the Tundra and complete polar bear activities after your virtual trip!</p>	<p><u>Access Mars</u> https://accessmars.withgoogle.com/</p> <p>Check out 360 degree views of Mars captured by the Curiosity Rover!</p>

Miscellaneous:

<p><u>All Kids Network</u> https://www.allkidsnetwork.com/reading/</p> <p>This website has coloring worksheets, ideas for craft activities, and subject-specific worksheets (i.e. phonics and sight words).</p>	<p><u>Typing Club</u> https://www.typingclub.com/sportal/program-3.game</p> <p>This website is a great way to work on your typing skills. Lessons are sequenced and allow for practice with keyboarding on a laptop or desktop computer.</p>
<p><u>PBS Kids</u> https://pbskids.org/</p> <p>Lots of games, mainly just for fun, but some involve spelling or other academic concepts.</p>	<p><u>Tynker</u> https://www.tynker.com/</p> <p>This website offers coding instructions for kids.</p>
<p><u>Twinkl</u> https://www.twinkl.com/search?term=school+closure</p> <p>Bundles of activity pages by grade level, including math and reading comprehension pages.</p>	<p><u>Headspace</u> https://www.headspace.com/meditation/kids</p> <p>Now might be a great time to explore Mindfulness as a tool to manage anxiety and enjoy the ups and downs of learning from home.</p>
